Site Plan # _____-SP-_____ Date Submitted: _____

I. INSTRUCTIONS:

- A. This certificate must be completed and submitted to the Planning, Zoning, and Development Division of Santa Rosa County prior to a final inspection request for any project requiring a Development Order.
- B. Per the Santa Rosa County Land Development Code, all Development Orders are contingent upon receipt of all regulatory agency approvals. Copies of these approvals may be requested by Santa Rosa County prior to final inspection approval.
- C. Complete the following statement:

I, (the property owner or project engineer) _____
(please print), certify that the following items are true and correct:

- 1. All regulatory agency approvals have been obtained and are deemed complete (i.e. FDOT, FDEP, etc.).
- 2. All landscaping, as shown on the approved Site Plan, is complete.
- 3. The parking area is complete, including all required striping, stop signs and stop bars, and wheel stops.
- 4. Stormwater retention is complete, as approved.
- 5. All other elements on the approved Site Plan are complete.

This form serves as the official request for a final inspection.
